

SDF Policy in the event of an owner wishing to make a buildings insurance claim

1. Owner should contact the SDF Treasurer, who will assess whether the damage can be claimed under the SDF Buildings Insurance Policy with Argus. If YES, then:
2. Owner contacts Argus to make the claim and submits a quotation(s) for the repairs to Argus.
3. Once Argus have given their approval, they will pay the approved amount to the owner. The owner then arranges for the work to be carried out and is responsible for paying the contractor.
4. If the claim is in respect of wind storm damage, Argus will reduce their payment by the amount of the windstorm deductible and SDF will reimburse the owner for that amount.

SDF Argus Policy Number is [P118HO004243](#)
